

How to Access OLB

Access OLB directly through <https://www.olb.eu> or through AKCENTA's website at www.akcenta.com in the right menu.

After entering your username and password, a unique numeric code is sent to your mobile phone, which is valid for a limited time.

You will log in the application immediately after entering the numeric code. This minimizes the risk of unauthorized access to your account and its misuse.

OLB Time Availability
